

CHAB SOMBOL

Senior Front End Developer

ABOUT ME

Greetings! I'm CHAB SOMBOL, a 28-year-old passionate about technology and front-end development. My journey led me to pursue a degree in Information Technology (IT) at the esteemed Royal University of Phnom Penh (RUPP). During my time at RUPP, I cultivated a deep passion for front-end development, honing my skills and striving for excellence. This experience fueled my ambition to innovate and create impactful digital experiences. I'm always eager to learn, grow, and gain insights from industry professionals to stay at the forefront of technology.
